

Every day, we write our story, one that becomes a legacy for the **next generation of leaders**. If an important part of your story is making a gift that endures forever, there is no better way to honor that vision than by creating a lasting legacy of generosity that will shape lives for generations to come. Your charitable gift provides vital support for our organization while also offering potential immediate or deferred tax benefits for you and your family.

Your gift today helps shape the generations of tomorrow.

Ways you can build a legacy with Boys & Girls Club of the Plateau

A planned gift today helps shape great futures tomorrow.

- A planned gift allows you to **shape your own legacy** while helping us achieve and expand our mission.
- It offers the opportunity to make a far **greater impact than** annual cash gifts alone.
- Your gift helps ensure our work continues **far into the future while also making a meaningful difference today.**
- The Club uses earnings from the Foundation to support **continued growth** and to serve generations of young people to come.

“Before the Club, I didn’t know what I wanted to do. Now I’m interning and building a real plan.” -Jayla, 16

- **Bequests:** A gift made through your will or revocable trust that takes effect after your lifetime. This is a simple option that costs nothing during your life.
- **IRA Charitable Rollover:** If you are 70½ or older, you can give from your IRA to support charitable causes, avoid income taxes, and satisfy your Required Minimum Distribution.
- **Charitable Gift Annuity:** Transfer an asset to charity and receive potential tax deductions and fixed income payments for life.
- **Donor Advised Funds:** Recommend charitable gifts during your lifetime and allow your children to continue your legacy of giving.
- **Beneficiary Designation:** Name a nonprofit as the beneficiary of assets such as a bank account, life insurance policy, or retirement account while maintaining control during your lifetime.
